ARE YOU GETTING

Are you saving money? Does your sulary keep your family and leave a balance?

If the last is your plight, it's time for you to get husy—to make a change.

Because only making ands meet today, means failure tomorrow.

Head the call. Get into some-thing for yourself where you can forge alread and build up a compe-tence for your family.

We recommend farming, because today's best opportunities lie there.

You can get started on very little. The profits are inviting. For as low as \$15 per acre, on five years time, you can buy fa-mous Park Valley land.

Put as much effort into work-ing this land as your present work requires and you'll soon be well fixed.

For productiveness, this land rivals that which costs several times as much. In many instances it even surpasses the higher-priced land.

There's plenty of water on every farm.

The climate is temperate.

There are good churches, good schools, good stores. Ample amuzement. Write us today for free booklet hich tells all about "Park Val-y, Where Parming Pays."
